

Hewell Race Night

Coming soon on _____

£_____ entry per person to include fish and chip supper

Please do come along and support your club.

here is a summary of how it works – some of you will have been to one I'm sure.....and remember there are two main objects of the event.....we want everyone to have a good time *and* this is our main fundraising event of the season.

There will be 7 races with 8 horses in each race. There are three ways in which you can take part.

1. **You can sponsor a race for £10.** If you have a business then it is a form of advertising. If you are an individual who wants to support the club, you'll get your name in the programme! There will be an 8th race for the sponsors with the winner picking up £30
2. **You can own a horse for £5.** There are 56 horses so if we could encourage most members to own a horse then all horses would be sold. For your £5 you get to own your own horse. If your horse wins its race you get £20 prize money.
3. **You can have a bet on each race.** Tickets cost £1 each and you can purchase as many or as few tickets as you wish. 50% of the pool for each race will be divided between all the winning ticket holders for that race with 50% going to club funds.

Obviously we would like as many of you to attend as possible – our last social event was a great success and we want to make this one as successful. **Tickets will cost £6 per head and will include a fish and chips supper.**

Whilst we would like as many members as possible to attend, if you aren't able to get there you can still sponsor a race or own a horse.
